

## A “Continuum of Living”

Founded as Lutheran Sunset Home of Saskatoon in 1955, LutherCare Communities has grown to serve more than 1,000 residents and clients each day in locations throughout Saskatchewan.

Our services include long-term nursing care, community day programs for adults, seniors’ housing, home support, intermediate care homes, group homes for younger adults, and subsidized family housing. These services are fully accredited, showing our commitment to excellence.

We support the whole person in body, mind and spirit; and aim to create communities where residents and clients can remain part of a familiar and supportive environment even as their needs changes.

To achieve its mission, LutherCare works on its own and in partnership with local health regions, the Saskatchewan government, private developers, congregations, and other agencies. Affiliated with the Evangelical Lutheran Church in Canada, LutherCare’s services are open to all without restriction.

## Memory Tree

## Dare to Care

Building healthy, faith-based caring communities

*Our mission is to provide excellence in care, shelter and support in a nurturing Christian environment for all entrusted to our care.*

## A legacy of caring

By donating a leaf on one of the 60th anniversary memory trees, you help to honor and remember the people and organizations that have been part of LutherCare Communities.

The special people who make each LutherCare location a unique and caring community include our residents, clients, family members, staff, board members, volunteers, donors, suppliers, and other supporters.

The funds raised through Memory Tree donations remain in the LutherCare location where the leaf is placed. They will be used to enhance the quality of life for current and future residents and clients.
