

## A "Continuum of Living"

Founded as Lutheran Sunset Home of Saskatoon in 1955, LutherCare Communities has grown to serve more than 1,000 residents and clients each day in locations across Saskatchewan.

Our services include long-term nursing care, community day programs, seniors' housing, home support, intermediate care homes, group living homes, and subsidized family housing. These services are fully accredited, showing our commitment to excellence.

We support the whole person in body, mind and spirit; and aim to create communities where residents and clients can remain part of a familiar and supportive environment even as their needs changes.

To achieve its mission, LutherCare works on its own and in partnership with local health regions, the Saskatchewan government, private developers, congregations, and other agencies. Affiliated with the Evangelical Lutheran Church in Canada, LutherCare's services are open to all without restriction.

## The right choice

“Choice” is the key word at Luther-Care’s seniors’ housing facilities.

You can choose to participate in the organized crafts, games, events, outings and other activities, or decide to “do your own thing.”

Our meal programs promise you a good nutritional base, while giving you the options of buying extra meals, dining out occasionally, or inviting friends or family to join you in the dining room. And since our suites feature full kitchens, you always have the choice of preparing your own meals.

Several locations offer guest suites, making it easier to receive visitors.

You can choose to participate in the elected residents’ council, which organizes events and acts as the liaison between residents and Luther-Care staff.

Wellness services, personal emergency response systems, and spiritual care help support your active and healthy retirement lifestyle.

Choosing LutherCare also gives you priority admission to one of our intermediate care homes if the need arises.

Please make LutherCare Communities your choice for Seniors’ Housing.
