## Mission

Luther Seniors Centre (LSC) is committed to the philosophy of LutherCare Communities. We believe that all persons with dementia-related problems have a right to respect, quality care and programs that enhance their feelings of self-worth and dignity. We recognize the need for family/caregivers to receive on-going support and education.

## Program Features

LSC offers a community day program each weekday from 9 a.m. to 5 p.m. for adults with irreversible dementia. Program features include the following:

- Nursing
- Chaplaincy
- Smoke free environment
- Support group for caregivers
- Bathing, as required
- Hot lunches and refreshment breaks
- Recreation and social activities (crafts, games, music, sing-a-longs, exercise)
- Snoezelen Room
- Referrals to other agencies

## Eligibility and Costs

We welcome participants at **all stages** of dementia.

- Participants require medical diagnosis of irreversible dementia.
- Participants must be ambulatory or able to transfer from wheelchair with assistance.
- The program is unable to serve individuals with head injuries.
- As the program is primarily designed to serve people living in the community, admission of personal care home residents may be restricted.

Cost—\$8.25 per day plus transportation

Transportation—Family/caregivers are encouraged to drive participants to and from the centre. Taxi service can be arranged at a subsidized rate, if required.

## Contact Information

## A Continuum of Living

Founded as Lutheran Sunset Home in 1955, LutherCare Communities serves residents and clients in locations throughout Saskatchewan. Its services include long-term nursing care, community day programs for adults, seniors' housing, home support, intermediate care, group living for young adults, and subsidized family housing. LutherCare works on its own and in partnership with Saskatoon Health Region, Saskatchewan government, private developers, congregations, and other agencies and individuals. Affiliated with the Evangelical Lutheran Church in Canada, LutherCare's services are open to all.
