

Message from our C.E.O.

I welcome you to the recruitment section of the LutherCare Communities web site and invite you to consider LutherCare as a career choice.

Each day, LutherCare serves approximately 1,000 residents and clients in locations throughout Saskatchewan with services that include:

- Long-term seniors' care
- Community day programs for adults with dementia
- Seniors' housing
- Home support
- Intermediate care homes
- Group home living for adults with cognitive and physical disabilities
- Subsidized family housing

To provide these varied services, we need caring, talented and hard-working individuals, both on the front lines of care, and in support positions.

We offer you challenging and meaningful work, real responsibilities and a friendly and supportive work environment. Joining our team of more than 400 employees, you will discover an organization committed to providing services and compassionate care while fulfilling the vision "Dare to Care: Building Healthy, Faith-Based Caring Communities."

I encourage you to explore our website and learn about the many services and career opportunities available through LutherCare Communities.

Yours truly,

Vivienne Hauck
