### **Introduction**

We are conducting research on the **needs of families who are engaged in a search for independent living accommodations for their parent(s)**. This will help us understand their perspective more fully and ensure that we provide you with the information and support needed to help make a decision with your parent(s) as they transition from their current home to a new home. The survey will take approximately 5-7 minutes to complete. The information you provide is confidential and will be destroyed after it has been analyzed.

Please feel free to share with others you know who are or may be assisting their parent(s) with their search in the near future.
