

FOR IMMEDIATE RELEASE

November 19, 2020

COVID-19 Confirmed Outbreak has been declared at Luther Special Care Home.

Luther Special Care Home is in Confirmed Outbreak for COVID-19. Management at Luther Special Care Home are working closely with the Saskatchewan Health Authority and Public Health officials to identify anyone who may have been exposed and is taking steps to protect the health of all residents and staff. Outbreak control measures at the home have been implemented and we have been communicating with resident's families.

Ivan Olfert, Operations Lead for LutherCare Communities says, "LutherCare Communities was proactive in implementing infection control and screening protocols early on in this pandemic. We continue to work closely with public health authorities to move Luther Special Care Home into recovery."

Olfert added, "we are taking every precaution necessary to contain the virus, with the health and safety of our residents and staff remaining our top priority."
